

DIRECTIONS & BUS PARKING

HISTORIC TREDEGAR ENTRANCE: ★

Entering the Historic Tredegar parking lot is challenging. Despite the steepness, we strongly recommend buses drive down Brown's Island Way from 2nd Street to turn left into the bus entrance. A staff person or ranger will be on hand at your scheduled arrival time to assist.

If you are early or running late, or if your driver has challenges getting into the lot, please call the ACWM Front Desk at 804-649-1861, Ext. 100. Our staff will be able to assist you.

* Bring your parking ticket for validation.
